

## **IMAP 2.0 Is Here!**

*By: Frankie Giannetti, Loss Control Manager at IRMA*

June 2021

- ❖ The IMAP Loss Control Visit has been under reconstruction by the Risk Management and Training team for the past two and a half years. On June 15<sup>th</sup>, the Board of Directors received a [presentation](#) summarizing the scope of the project and how the visit has improved.
- ❖ As of June 15<sup>th</sup>, the IMAP visit will go back into regular scheduling with members receiving notice of visits as early as this month.
- ❖ All new IMAP information can be viewed [here](#).
- ❖ For any questions regarding the new IMAP or any of our other loss control visits, please reach out to Frankie Giannetti at [frankieg@irmarisk.org](mailto:frankieg@irmarisk.org)
