

IRMA Hires New Finance Director

By: Margo Ely, Executive Director at IRMA

With the upcoming retirement of Rita Boserup, IRMA retained GovHR to assist in recruiting a new Finance Director. After a competitive search and review of 42 applications, we are happy to welcome Ashli Motyka as our new Finance Director. Ashli has started on a part-time basis and will join IRMA full time on April 14 so there is transition time working with Rita and the finance team. Ashli comes to IRMA after working at the City of Crest Hill for 10 years. She has her MBA in Accounting and her BS in Business Management.
