

CEASE AND DESIST NOTICE

The outbreak of COVID-19 has resulted in the following: (1) The World Health Organization declaring a pandemic, (2) the President of United States declaring a national emergency, and (3) the Governor of the State of Illinois, JB Pritzker, proclaiming a state disaster. Public officials at the federal, state, and local levels have employed extraordinary measures to protect the health, safety, and welfare of citizens.

Consistent with general health and safety actions taken by many public officials throughout the country, Governor Pritzker has ordered restaurants in Cook County to cease dine-in service. The Governor does not prohibit service of food or beverages by other means, such as take out, in home delivery, drive through, or curbside pickup. All on-premises dine-in service must immediately cease.

Your failure to comply with the Governor's Order may result in the following: an order of closure issued by the state or local health department, or civil liability.

It is imperative that you comply to protect the safety and health of your staff as well as your customers. Should you have any questions, please contact the State of Illinois at 1-800-252-2923 or CEO.support@illinois.gov.
