

LEADERSHIP ESSENTIALS

Elevate Your Skills: Reserve Your Spot in our Upcoming Program

Program Overview

As leaders grow and take on new responsibilities, they require an additional set of skills to be successful. Developing a team, and identifying and engaging their talents through delegation, coaching, and feedback are critical foundational skills. Leadership Essentials is open to emerging leaders and anyone who wants to learn how to lead with a vision that inspires high performance and team connection.

Program Highlights

Leadership Essentials is offered over four weekly virtual meetings. Program participants will meet live via Zoom, beginning with a 120-minute first module, then three 90-minute modules. Participants will receive a guided workbook to use throughout the program.
